#### UPTOWN ARTS DISTRICT

**\*\*\*SPECIAL SHINE EDITION\*\*\* 50. ARTicles ART GALLERY AND THE LESLIE CURRAN GALLERY: 1234 Dr. MLK Jr St. N. Units A & B, St. Pete, FL 33705 - (727) 898-6061** – Opening celebration of artist Cecilia Lueza's exhibition to help kick off SHINE Fest 2023! St Petersburg artist CECILIA LUEZA's vibrant figurative works are a celebration of color and energy. Known for her striking mural art in the region and her monumental public artworks throughout the country, the artist also has a rigorous studio practice, and creates two and three dimensional works on a more personal scale. While the foundation of this work is in her recognizable painting style, many pieces take on a hybrid quality. Lueza's three dimensional treatment of assembling dozens of small painted objects together nods at her extensive knowledge of sculptural techniques, structures, and materials. The result is life sized forms that float elegantly on the wall suspended in an aura of joy and mystery.

> Exhibition in the Tully-Levine Gallery - Extirpation: Color, Class and Currency, a solo exhibition by Dr Dallas Jackson. This is a collection of works that capture various topics and points in African American History. In the current climate of history revision, accounts of African American's contribution to America are be modified to change the narrative. The artist's intended outcome is to create awareness and empathy as well as outcomes based on the conversations that result of viewing this collection of work. Collectively, the visual impact is to take the viewer on the artist's interpretation of the notion of relevance of historical events coupled with memories buried in mass graves, and lack of documentation through artistic expression.

> Burka Member Lounge – Show Title: Movement. The art of 27 WADA members that expresses movement, mobility and motion. See how movement is captured in painting, drawing, sculpture and three-dimensional art. Static, optic and kinetic works are on display.
