

# Download and open the FREE PixelStix app.

Enter the **Drive-In Mural Theater** by opening the app.

Click on the **Map Icon**

Click on **Popular**

You'll see an exciting range of **mural tours**.

Choose **Drive-In Shine Mural Theater**

You'll see a **map**, with mural locations.

Drive to any of the murals on the Map and park your car where you and your audience have a good view. Begin and end wherever you're inspired to go.

Murals on the Map are paired, so that you can park once and enjoy two murals.

Click on the **P**, the Pixelstix logo that shows where you are on the map.

Click on **View Content**.

That opens up a page like this.

Scroll down a bit and you'll find the **Soundcloud** player so you can hear the audio tour, and a **text transcript** if you'd rather read.

When you're finished, hit the back button twice in the PixelStix app to return to the map so you can drive to your next stop.
