

## Pinellas Referendum Supports the Arts

Pinellas County Schools Referendum is up for renewal in 2020. Since 2002, Pinellas Voters have supported a referendum to locally fund arts and music in our classrooms.

Through this local property tax, we provide art supplies like paper, clay, paint, digital labs and cameras, as well as art books and magazines for our students. Together, we have revitalized our orchestra and guitar programs, and provided instruments, band uniforms, and music technology to our kids.

Additionally, this money supports classroom teachers, and technology and reading programs. Financial oversight is provided by an independent citizens group. Pinellas citizens will have the opportunity to vote on this funding at the polls in 2020.

---

Thank you for supporting  
Pinellas County Schools.  
Watch for more information about the  
upcoming Referendum ballot.
