

# FUNDING FUTURES - HELPING YOUNG ARTISTS GROW

ST. PETERSBURG ARTS ALLIANCE'S STUDENT AWARD PROGRAM IS DESIGNED TO IDENTIFY AND ENCOURAGE TALENTED EMERGING ARTISTS WITH FINANCIAL NEED

**STUDENTS** who aspire to be exceptional performing, visual or literary artists are often faced with fierce challenges – competition and/or financial need that prevents many from pursuing a career in an artistic field.

## FUNDING FUTURES IS OPEN TO:

- Students of the arts – ages 10-17
- Residents of Pinellas County, interested in arts instruction in St. Petersburg
- All talented artists regardless of ethnic, social or economic background, or ability/disability

*"The dance class was like a little sanctuary for me every week because it helped me feel confident in myself, which helped me when I got bullied at school." - Brody B, age 13*

*"I can't express to you enough what a wonderful experience the Sunscreen Film Camp was. It really helped me to come out of my shell. I was finally exposed to people with a similar mindset to me and I was able to find a group to relate to. I think it is so great you support the arts and help kids like me who can't afford to express their creativity in the way they desire. I have waited my entire life to create a short film and I wouldn't have been able to complete it without your help." - Mason W, age 16*
