ILLUMINATING THE POWER OF ART IN PUBLIC SPACES

The annual SHINE® St. Petersburg Mural Festival, returning November 6–15, 2026, illuminates the power of art in public spaces by revitalizing areas, inspiring dialogue, and uniting our community, while cultivating new standards of artistic excellence reflecting St. Petersburg's creative and vibrant spirit. By using the walls and streets as canvas, SHINE transforms our shared spaces into a world-class outdoor gallery featuring top contemporary local, national, and international artists. Produced by the St. Petersburg Arts Alliance, SHINE has created nearly 200 murals throughout downtown and the surrounding arts districts since 2015.
